Climb aboard the 18 seater 4 x 4 bus for a state of the art Norfolk experience. **Day 6: Thursday 11<sup>th</sup> October 2018**  
**Norfolk Island**

This morning travel to Anson Bay to visit a small hobby farm. Close by, see a pottery demonstration and browse the Cottage Pottery shop. After a delicious morning tea at a scenic location, visit a beautiful private and commercial garden that supplies the local florists. Visit a private property to see one of Norfolk's biggest banyan trees. Lunch today is own expense and the afternoon is at your leisure. Late this afternoon enjoy a feast of Island dishes, salads, homemade bread and fresh fried fish, followed by Island desserts & tea or coffee. Enjoy some local entertainment on an exclusive private property 'Orn Daa Cliff' on Norfolk's western coastline. Nightfall at Kingston brings a different mood to the Convict Settlement. The stillness and the stars are there just as they were before settlers arrived in 1788. However, with the dramatic use of real life sounds, theatrical lighting and costumed actors, the stillness is broken as you are taken through the horrifying decades of Norfolk Island's convict era.
